FROM THE *Pastor's Desk*

Dear Church Family,

We are all builders. Even if we've never picked up a hammer or used a saw, we all build. The words we do or do not speak, the signs of grace we offer or withhold, the actions we take or allow to pass by, the messages we tell ourselves and other - all of these serve to construct reality. We are all building tomorrow today.

This weekend in worship, we are starting a new series titled "Building Hope." It's a series inviting us to answer Christ's call to use our words and actions and resources to construct a future of hope with God for our church and our community. And it's also a series about the nuts-and-bolts reality of the church today. Over the next 3 weeks we will:

November 7 - Celebrate All Saints Day, as well as get to know a new vision for Campbell as a place where all people can belong, bless, and become in the name of Jesus Christ.

November 14 - Share in a "state of the church" moment, in which we will talk about the amazing things God has done through Campbell this past year, as well as the current financial realities of the church (and what all of that might mean for the future). Plus, we'll also be discussing what the Bible does—and does not—say about tithing. (You might be surprised!)

November 21 - Welcome a special guest preacher from the Missouri United Methodist Foundation, Rev. Laura Murphy (no stranger to Springfield!), as she invites us to consider how God may be calling us to belong, bless, and become the followers of Christ God has made us to be in 2022!

I am so grateful for each of you, and I am so thankful for the privilege of getting to journey alongside you as we seek to be builders of hope together in the name of Jesus Christ.

In Christ,

Daniel

Notifying the church of a need

The staff of the church would like to pray for and respond to the needs of the congregation as best as we are able. With that in mind, please speak with, call, email, or text someone in the church office directly with your prayer needs and any other needs you may have. It cannot be guaranteed that a Facebook post, tweet, or other general online statements will be read and passed along to those who need to know.

Collecting hats for Shady Dell

We are currently collecting knitted, or crocheted stocking hats for Shady Dell. The goal is 160 hats to be given to the children at Shady Dell. There is a collection tub located in the Fellowship Hall for your donations.

Made to Create books available

Last month the Sermon Series was Made to Create and featured some members of the church and their many talents. Some of you submitted your creativity and we now have booklets of some of the many different crafts such as painting, photography, quilting, etc.

Check out the Made To Create books that are now available in the Fellowship Hall.

Remember to set your clocks back on Saturday night so you will arrive on time to Sunday morning worship.

See you in church!

Crafts and card making

Come and join in the fun on the first and third Thursdays of every month at 10:00 a.m. in the Fellowship Hall. The group "Crafts and Card Making" wants to bring in additional people to help put together cute cards for our shut-ins. All supplies are provided. Sample cards and pre-cut pieces make card-making as simple as a kit for those who are new to card-making; advanced crafters can get as creative as they want. In addition to the more than 50 shut-ins, the cards are occasionally sent to those in the hospital and rehab. You will be done by noon; next card making session is **Thursday, November 4 and 18 at 10:00 a.m.**
